Letter No. 8626/E dated 17-6-1946 from the Chief Engineer for Irrigation -

Forwards a copy of the representation of Mr. B.K. Ramanna, Surveyor requesting that he may be allowed to draw a pay of Rs 135/- with effect from 1-7-1943 and so on in the revised grade of Surveyor Rs 60-5-125-10-175

Mr. B.K. Ramanna, a permanent employee of the Elect dept, has been allowed a lien in the PW dept as per G.O. No. PW 8453-57 dated 9.6.1944. He has been drawing Rs 125/- from 11 July 1942. The existing scale pay of Surveyor in the PW dept is Rs 60-5-125-10-175. (Revised grade as per G.O. No. 5695-5716 dated 25-2-1944)

In G.O. No. PW 3956-57/Est-45-45-3 dated 24-11-1945, sanction has been accorded to Surveyors on Rs 60/- and more under the old scales for more than one year on 25-2-1944 being granted the next stage under the revised grade from 25-2-1944

Mr. B.K. Ramanna, therefore, requests that he may be granted Rs 135/- from 1-7-1943 and so on.

2. Mr. B.K. Ramanna was not borne on the cadre/staff of the PW dept when the revised scales was sanctioned in February 1944; but he

was been allowed a lien in the P.W. Dept. from 9-6-1944. The Chief Engineer recommends that he may be granted Rs 135/- from 9-6-1944 and Rs 145/- from 9-6-1945. The proposal of the C.E.I is for orders.

3. Mr. B. K. Ramanna was drawing Rs 125 from 1.7.42, and as has been done in the case of all Surveyors, Mr. Ramanna would have got Rs 135 from 25.2.44, had he been in the P.W.D above. Both he was given a lien from 9.6.44 and the proposal is therefore to give him Rs 135 from 9.6.44 & Rs 145 from 9.6.45. This would be in keeping with the treatment accorded to the other Surveyors while fixing up their lien in the revised Cadre of Rs 60-5-125-10-175

C.E.I recommends that Mr. Ramanna may be granted Rs 135 from 9 6/44 + Rs 145 from 9 6/45. He was however drawing only Rs 125 from 1.7.42 and as in case of all surveyors, Mr. Ramanna could have got Rs 135 from 25 2/44 had he been in the P.W.D above. His lien from the Elec to the P.W.D was given only from 9 6/44. and he can draw Rs 135 from 9 6/44 + Rs 145 from 9 6/45.

This may be approved.

CHIEF ENGINEER FOR IRRIGATION.

Representation of Mr. B.K. Ramanna, Sub Engineer, addressed to the Chief Electrical Engineer in Mysore, Bangalore.

Personal - Mr. B.K. Ramanna.

I beg to submit the following for your kind consideration and favourable orders:-

I am drawing Rs.125/- from 1st July 1942 in grade Rs.80-5-125. A lien in the P.W.D. has been kindly secured to me in Government Order No.P.W.8453 dated 9-6-1944. Government Order revising the grades of Surveyors in the Public Works Department to Rs.60-5-125-10-175 has been passed in P.W. 5695-5716 dated 25-2-1944(re-organisation of P.W.D.)

I request that I maykindly be permitted to draw the increments in the above grade from 1st July 1942 the date I began drawing Rs.125/- thus entitling me to draw Rs.135/- from 1st July 1943 and so on. Inasmuch as the question of providing me a lien in the P.W.D. was under correspondence between the Chief Engineer and the Chief Electrical Engineer as long back as 1938, and as providing lien to me in the P.W.D. was agreed to between both the Chief - Engineer and the Chief Electrical Engineer in letter No.16049 dated 5-1-1940, except on a point of concurrence (copy enclosed for ready reference), I submit that I mayat least be given this small concession. I beg to bring to your kind notice that had I only the fortune of being seconded inthe Public Works Department even after my confirmation as Overseer in the maintenance establishment of Shimshapura Power Station i.e., from 1-7-1940 vide EDS.No.67 dated 8-7-1941 (copy enclosed for ready reference), I would have been better benefitted in that Department. This delay has acted adversely against me.

I request you to kindly help me in the matter.

Thanking,
